Jim Freeze

Subject: Architectural Design & Conditional Use Permit

Dear Jim Freeze:

Thank you for your recent Architectural Design application material submission and Conditional Use Permit application. Unfortunately, the Planning Department has deemed your application incomplete due to development existing in the City Easement on the north side of the development. The application will be deemed incomplete until plans are received showing no development in the City easement.

Please feel free to contact our office with any questions.

Sincerely,

Juliana Lucchesi
